

## **Emmanuelle Bertrand and Pascal Amoyel**

Cello and piano

Celebrated by the press for their exceptionally sensitive playing and fusional complicity, the duo formed by Emmanuelle Bertrand and Pascal Amoyel is celebrating its 20th anniversary. Lovers of the great repertoire, they are tireless in their efforts to bring forgotten masterpieces back to light. Their fifteen recordings (harmonia mundi) have won them the highest honors: Cannes Classical Awards, Gramophone, ffff de Télérama, Diapasons d'Or de l'année, Chocs de Classica, Grand Prix de la critique allemande...

Often described as “passers-by”, they also conceive musical shows such as “Le Block 15, la musique en résistance”, directed by Jean Piat and adapted for France 3, which recounts the testimonies of two musicians saved by music during the Second World War, or “Une petite histoire de la grande musique” aimed at younger audiences.

Both have been awarded the Chevalier de l'Ordre des Arts et des Lettres.
